

Acrylic glass	Bulky waste	Disposal: for a fee
Adhesives (with residual content)	Hazardous substances	Disposal: free of charge
Agricultural films	Bulky waste	Disposal: for a fee
Agricultural waste (made of plastic and not contaminated)	Bulky waste	Disposal: for a fee
Aluminium foil	Metal packaging	Disposal: free of charge
Ammunition	Hazardous substances	Disposal: free of charge
Animal cadavers	Animal carcasses	Disposal: free of charge
Animal food packaging (made of metal and completely emptied without any residue)	Metal packaging	Disposal: free of charge
Animal food packaging (made of plastic/composite material and completely emptied without any residue)	Lightweight packaging	Disposal: free of charge
Antifreeze	Hazardous substances	Disposal: free of charge
Asbestos cement - in small volumes	Hazardous substances	Disposal: free of charge
Ash	Residual waste	Disposal: for a fee
Bath tub (metal)	Scrap metal	Disposal: for a fee
Bath tub (plastic)	Bulky waste	Disposal: for a fee
Batteries	Old electrical devices and batteries	Disposal: free of charge
Bed linen for disposal	Residual waste	Disposal: for a fee
Bed linen undamaged	Re-Use items suitable for re-use	Disposal: free of charge
Bedding	Residual waste	Disposal: for a fee
Belts for disposal	Residual waste	Disposal: for a fee
Belts suitable for repair	"Graz repairs" - items suitable for repair	Disposal: for a fee
Belts undamaged	Re-Use items suitable for re-use	Disposal: free of charge
Bicycle for disposal	Scrap metal	Disposal: for a fee
Bicycle functional	Re-Use items suitable for re-use	Disposal: free of charge

Bicycle suitable for repair	“Graz repairs” - items suitable for repair	Disposal: for a fee
Blister packaging	Lightweight packaging	Disposal: free of charge
Body lotion plastic packaging completely emptied without any residues	Lightweight packaging	Disposal: free of charge
Boiler <50 cm for disposal	Old electrical devices and batteries	Disposal: free of charge
Boiler >50 cm for disposal	Old electrical devices and batteries	Disposal: free of charge
Boiler suitable for repair	“Graz repairs” - items suitable for repair	Disposal: for a fee
Books and magazines (without plastic sleeve) for disposal	Paper	Disposal: free of charge
Books undamaged	Re-Use items suitable for re-use	Disposal: free of charge
Building material packaging (made of plastic and cleaned)	Lightweight packaging	Disposal: free of charge
Bulbs with filament (no energy-saving bulbs / LEDs)	Residual waste	Disposal: for a fee
Bulbs without filament	Old electrical devices and batteries	Disposal: free of charge
Bulky waste	Bulky waste	Disposal: for a fee
Cables (electrical installation)	Old electrical devices and batteries	Disposal: free of charge
Camera for disposal	Old electrical devices and batteries	Disposal: free of charge
Camera functional	Old electrical devices and batteries	Disposal: free of charge
Camera suitable for repair	“Graz repairs” - items suitable for repair	Disposal: for a fee
Candles (no LEDs)	Residual waste	Disposal: for a fee
Caps (made of metal)	Metal packaging	Disposal: free of charge
Car batteries	Old electrical devices and batteries	Disposal: free of charge

Car parts (without dangerous components or substances made of metal)	Scrap metal	Disposal: for a fee
Car parts without dangerous components or substances (plastic)	Bulky waste	Disposal: for a fee
Carrier bags (made of plastic)	Lightweight packaging	Disposal: free of charge
Cartridges of inkjet printers	Residual waste	Disposal: for a fee
Cellophane	Lightweight packaging	Disposal: free of charge
Cellophane packaging	Lightweight packaging	Disposal: free of charge
Cement bag (with residual content)	Construction rubble	Disposal: for a fee
Cement-bonded wood wool panels	Construction site waste	Disposal: for a fee
Ceramic packaging	Lightweight packaging	Disposal: free of charge
Chemicals (from agriculture)	Hazardous substances	Disposal: free of charge
Chemicals (with residual content)	Hazardous substances	Disposal: free of charge
Chewing gum	Residual waste	Disposal: for a fee
Christmas trees	Christmas tree	Disposal
Cigarette butts	Residual waste	Disposal: for a fee
Cigarette packets	Lightweight packaging	Disposal: free of charge
Cleaning agent bottles (made of plastic and completely emptied)	Lightweight packaging	Disposal: free of charge
Cleaning agents (with residual content)	Hazardous substances	Disposal: free of charge
Cleaning wipes (household)	Residual waste	Disposal: for a fee
Clocks (with battery) <50 cm for disposal	Old electrical devices and batteries	Disposal: free of charge
Clocks (with battery) <50 cm, functional	Re-Use items suitable for re-use	Disposal: free of charge
Clocks (with battery) >50 cm for disposal	Old electrical devices and batteries	Disposal: free of charge
Clocks (with battery) >50 cm, functional	Re-Use items suitable for re-use	Disposal: free of charge

Clocks (with battery), suitable for repair	"Graz repairs" - items suitable for repair	Disposal: for a fee
Clothing for disposal	Residual waste	Disposal: for a fee
Clothing suitable for repair	"Graz repairs" - items suitable for repair	Disposal: for a fee
Clothing undamaged	Re-Use items suitable for re-use	Disposal: free of charge
Coat pegs made of wood	Waste wood	Disposal: for a fee
Coffee capsules (made of aluminium, e.g. Nespresso)	Metal packaging	Disposal: free of charge
Coffee filters with brew	Organic waste	Disposal: for a fee
Coffee pads	Organic waste	Disposal: for a fee
Coloured glass packaging	Glass packaging	Disposal: free of charge
Compact cassette	Residual waste	Disposal: for a fee
Computer <50 cm edge length for disposal	Old electrical devices and batteries	Disposal: free of charge
Computer >50 cm edge length for disposal	Old electrical devices and batteries	Disposal: free of charge
Computer keyboards for disposal	Old electrical devices and batteries	Disposal: free of charge
Computer keyboards suitable for repair	"Graz repairs" - items suitable for repair	Disposal: for a fee
Computer suitable for repair	"Graz repairs" - items suitable for repair	Disposal: for a fee
Condom	Residual waste	Disposal: for a fee
Construction materials (containing asbestos)	Hazardous substances	Disposal: free of charge
Construction materials (household)	Residual waste	Disposal: for a fee
Construction materials (with residual content)	Hazardous substances	Disposal: free of charge
Construction rubble (bituminous)	Construction rubble	Disposal: for a fee
Construction rubble (natural stone and ceramic)	Construction rubble	Disposal: for a fee
Construction timber	Waste wood	Disposal: for a fee

Consumer electronics <50 cm for disposal	Old electrical devices and batteries	Disposal: free of charge
Consumer electronics <50 cm, functional	Re-Use items suitable for re-use	Disposal: free of charge
Consumer electronics >50 cm for disposal	Old electrical devices and batteries	Disposal: free of charge
Consumer electronics >50 cm, functional	Re-Use items suitable for re-use	Disposal: free of charge
Consumer electronics suitable for repair	"Graz repairs" - items suitable for repair	Disposal: for a fee
Containers made of composite material	Lightweight packaging	Disposal: free of charge
Cooking oil containers made of plastic (completely empty, free of drops)	Lightweight packaging	Disposal: free of charge
Corks	Lightweight packaging	Disposal: free of charge
Corks made of glass	Glass packaging	Disposal: free of charge
Cosmetic packaging made of glass (completely emptied, without any residues)	Glass packaging	Disposal: free of charge
Cut flowers	Organic waste	Disposal: for a fee
Data storage devices for disposal	Old electrical devices and batteries	Disposal: free of charge
Data storage devices suitable for repair	"Graz repairs" - items suitable for repair	Disposal: for a fee
Digital optical storage media	Other waste	Disposal in Recycling Centre 2 free of charge and in the residual waste for a fee
Diskettes (data carriers)	Residual waste	Disposal: for a fee
Disposable tableware	Lightweight packaging	Disposal: free of charge
Doors for disposal	Waste wood	Disposal: for a fee
Doors suitable for repair	"Graz repairs" - items suitable for repair	Disposal: for a fee
Drinks carton	Lightweight packaging	Disposal: free of charge
Drinks fit for consumption	Food	Disposal: free of charge

Electrical devices <50 cm edge length for disposal	Old electrical devices and batteries	Disposal: free of charge
Electrical devices <50 cm edge length functional	Re-Use items suitable for re-use	Disposal: free of charge
Electrical devices >50 cm edge length for disposal	Old electrical devices and batteries	Disposal: free of charge
Electrical devices >50 cm edge length functional	Re-Use items suitable for re-use	Disposal: free of charge
Electrical devices suitable for repair	"Graz repairs" - items suitable for repair	Disposal: for a fee
Excavated soil	Excavated soil	Disposal: for a fee
Explosives	Hazardous substances	Disposal: free of charge
Fertiliser sacks (completely emptied without any residues)	Lightweight packaging	Disposal: free of charge
Fibre cement (without asbestos)	Construction rubble	Disposal: for a fee
Fibreboards	Waste wood	Disposal: for a fee
Filter for fuels (diesel, petrol)	Hazardous substances	Disposal: free of charge
Flat screen <50 cm edge length for disposal	Old electrical devices and batteries	Disposal: free of charge
Flat screen >50 cm edge length for disposal	Old electrical devices and batteries	Disposal: free of charge
Flat screen functional	Re-Use items suitable for re-use	Disposal: free of charge
Flat screen suitable for repair	"Graz repairs" - items suitable for repair	Disposal: for a fee
Florists' sponge (from flower arrangements)	Residual waste	Disposal: for a fee
Foam packaging	Lightweight packaging	Disposal: free of charge
Foils (from the construction industry)	Bulky waste	Disposal: for a fee
Food edible	Food	Disposal: free of charge
Food inedible	Organic waste	Disposal: for a fee

Food packaging (contaminated or with residual content)	Residual waste	Disposal: for a fee
Food packaging (made of metal, completely emptied and without any residues)	Metal packaging	Disposal: free of charge
Food packaging (made of paper and not contaminated)	Paper	Disposal: free of charge
Food packaging (plastic)	Lightweight packaging	Disposal: free of charge
Furniture (predominantly made of metal) for disposal	Scrap metal	Disposal: for a fee
Furniture (predominantly made of plastic) for disposal	Bulky waste	Disposal: for a fee
Furniture (predominantly made of wood) for disposal	Waste wood	Disposal: for a fee
Furniture hinges (suitable for repair)	"Graz repairs" - items suitable for repair	Disposal: for a fee
Furniture hinges for disposal	Residual waste	Disposal: for a fee
Furniture undamaged	Re-Use items suitable for re-use	Disposal: free of charge
Garden waste	Green waste	Disposal: for a fee
Glass bottles (non-returnable)	Glass packaging	Disposal: free of charge
Gloves (disposable gloves)	Residual waste	
Gypsum plasterboard	Construction rubble	Disposal: for a fee
Handbags for disposal	Residual waste	Disposal: for a fee
Handbags suitable for repair	"Graz repairs" - items suitable for repair	Disposal: for a fee
Handbags undamaged	Re-Use items suitable for re-use	Disposal: free of charge
Hat for disposal	Residual waste	Disposal: for a fee
Hat suitable for repair	"Graz repairs" - items suitable for repair	Disposal: for a fee
Hazardous substances	Hazardous substances	Disposal: free of charge
Household goods (made of ceramic) for disposal	Residual waste	Disposal: for a fee
Household goods (made of ceramic) undamaged	Re-Use items suitable for re-use	Disposal: free of charge

Household goods (made of glass) for disposal	Residual waste	Disposal: for a fee
Household goods (made of glass) undamaged	Re-Use items suitable for re-use	Disposal: free of charge
Household goods (made of metal) for disposal	Scrap metal	Disposal: for a fee
Household goods (made of metal) undamaged	Re-Use items suitable for re-use	Disposal: free of charge
Household goods (made of plastic) for disposal	Residual waste	Disposal: for a fee
Household goods (made of plastic) undamaged	Re-Use items suitable for re-use	Disposal: free of charge
Household linen for disposal	Residual waste	Disposal: for a fee
Household linen undamaged)	Old textiles	<p>Disposal: free of charge</p> <p><i>Old textiles:</i></p> <p><b>What may not be put in the clothes bank?</b></p> <ul style="list-style-type: none"> <li>• Worn-out clothing with significant signs of wear and tear, holes, removed sleeves, missing buttons</li> <li>• Highly yellowed clothing, worn-out clothing of children (tights, underwear, socks, etc.)</li> <li>• Toys, soft toys</li> <li>• Quilts and pillows</li> <li>• Wet items (caution with bags placed next to the containers!</li> <li>• Other waste</li> <li>• Medicinal products</li> <li>• Fabric remnants</li> <li>• Dirty, wet clothing</li> <li>• Rags, nappies or similar</li> </ul>
Houseplants (without pot)	Organic waste	Disposal: for a fee
Hydraulic liquid	Hazardous substances	Disposal: free of charge
Hygiene products (plastic packaging, completely emptied without any residues)	Lightweight packaging	Disposal: free of charge
Image carriers analogue	Residual waste	Disposal: for a fee

Instant soups (packaging)	Lightweight packaging	Disposal: free of charge
Insulating material (containing asbestos) - in small volumes	Hazardous substances	Disposal: free of charge
Insulation materials (containing asbestos) - in small quantities	Hazardous substances	Disposal: free of charge
Insulation materials (without asbestos, without mineral fibres)	Construction site waste	Disposal: for a fee
Ironmongery (small parts)	Scrap metal	Disposal: for a fee
Laundry baskets	Bulky waste	Disposal: for a fee
Lead residues	Scrap metal	Disposal: for a fee
Lighters (completely emptied without any residues)	Residual waste	Disposal: for a fee
Lighters (with residual content)	Hazardous substances	Disposal: free of charge
Lightweight packaging	Lightweight packaging	Disposal: free of charge
Mattresses undamaged (with washable and removable cover)	Re-Use items suitable for re-use	Disposal: free of charge
Meat waste in significant quantities (including animal carcasses)	Animal carcasses	Disposal: free of charge
Medical waste	Medical waste	Disposal: free of charge
Medicinal products	Medical waste	Disposal: free of charge
Medicine bottle (made of glass and completely emptied)	Glass packaging	Disposal: free of charge
Memory lights battery-operated	Old electrical devices and batteries	Disposal: free of charge
Metal items >50 cm edge length	Scrap metal	Disposal: for a fee
Metal packaging	Metal packaging	Disposal: free of charge
Metal sheets	Scrap metal	Disposal: for a fee
Metal toy defective <50 cm	Scrap metal	Disposal: for a fee
Mineral greases	Hazardous substances	Disposal: free of charge
Mineral wool	Artificial mineral fibres	Disposal: for a fee
Mobile phones for disposal	Old electrical devices and batteries	Disposal: free of charge
Mobile phones suitable for repair	"Graz repairs" - items suitable for repair	Disposal: for a fee

Nets (fruit and vegetables)	Lightweight packaging	Disposal: free of charge
Night storage heaters for disposal	Old electrical devices and batteries	Disposal: free of charge
Office supplies and stationery	Paper	Disposal: free of charge
Office supplies and stationery (household)	Residual waste	Disposal: for a fee
Oil radiators for disposal	Old electrical devices and batteries	Disposal: free of charge
Old car	Old vehicles	Disposal: free of charge
Old cooking fats (non-edible)	Old cooking fats and oils	Disposal: free of charge
Opal glass bottles	Glass packaging	Disposal: for a fee
Organic waste	Organic waste	Disposal: for a fee
Ovens and kilns (without asbestos)	Scrap metal	Disposal: for a fee
Packaging (made of paper and not soiled)	Paper	Disposal: free of charge
Packaging foils	Lightweight packaging	Disposal: free of charge
Paint cans (made of metal and brushed clean)	Metal packaging	Disposal: free of charge
Paints and varnishes	Hazardous substances	Disposal: free of charge
Paper (heavily contaminated)	Residual waste	Disposal: for a fee
Plastic bottles (non-returnable, completely emptied, without any residues)	Lightweight packaging	Disposal: free of charge
Plastic bucket with lid (completely emptied, without any residues)	Lightweight packaging	Disposal: free of charge
Plastic caps	Lightweight packaging	Disposal: free of charge
Plastic packaging	Lightweight packaging	Disposal: free of charge
Plastic plant pot (diameter < 10 cm) for disposal	Lightweight packaging	Disposal: free of charge
Plastic plant pot (diameter > 10 cm) for disposal	Residual waste	Disposal: for a fee
Plastic toy <50 cm for disposal	Residual waste	Disposal: for a fee
Plastic toy >50 cm for disposal	Bulky waste	Disposal: for a fee

Plastic toy undamaged	Re-Use items suitable for re-use	Disposal: free of charge
Polyolefin films	Lightweight packaging	Disposal: free of charge
Polystyrenes	Construction site waste	Disposal: for a fee
Pots of cream (made of metal and completely emptied without any residues)	Metal packaging	Disposal: free of charge
Pressurised containers (made of metal and completely emptied without any residues)	Metal packaging	Disposal: free of charge
Pressurised containers (with residual content)	Hazardous substances	Disposal: free of charge
Printer <50 cm edge length for disposal	Old electrical devices and batteries	Disposal: free of charge
Printer >50 cm edge length for disposal	Old electrical devices and batteries	Disposal: free of charge
Printers suitable for repair	"Graz repairs" - items suitable for repair	Disposal: for a fee
Protective mask	Residual waste	Disposal: for a fee
PVC waste	Bulky waste	Disposal: for a fee
Railway sleepers (impregnated with creosote) in small volumes	Hazardous substances	Disposal: free of charge
Residential waste	Residual waste	Disposal: for a fee
Residual waste	Residual waste	Disposal: for a fee
Rubber tyres	Used tyres	Disposal: for a fee
Rubber waste	Residual waste	Disposal: for a fee
Sanitary and hygiene products (household)	Residual waste	Disposal: for a fee
Sanitary and hygiene products (with residual content)	Hazardous substances	Disposal: free of charge
Sanitary installations (ceramic)	Construction rubble	Disposal: for a fee
Shoe polish cans (with residual content)	Residual waste	Disposal: for a fee
Shoes for disposal	Residual waste	Disposal: for a fee
Shoes suitable for repair	"Graz repairs" - items suitable for repair	Disposal: for a fee

Shoes undamaged	Re-Use items suitable for re-use	Disposal: free of charge
Shopping bags made of biodegradable materials	Lightweight packaging	Disposal: free of charge
Shower gel packaging (completely emptied without any residue)	Lightweight packaging	Disposal: free of charge
Ski boots for disposal	Residual waste	Disposal: for a fee
Ski boots undamaged	Re-Use items suitable for re-use	Disposal: free of charge
Skis for disposal	Bulky waste	Disposal: for a fee
Skis undamaged	Re-Use items suitable for re-use	Disposal: free of charge
Snowboard for disposal	Bulky waste	Disposal: for a fee
Snowboard undamaged	Re-Use items suitable for re-use	Disposal: free of charge
Solvents	Hazardous substances	Disposal: free of charge
Spices edible	Food	Disposal: free of charge
Straw	Residual waste	Disposal: for a fee
Sunshades	Bulky waste	Disposal: for a fee
Tableware undamaged	Re-Use items suitable for re-use	Disposal: free of charge
Textile scraps	Residual waste	Disposal: for a fee
Toner cartridges (completely emptied without any residue)	Residual waste	Disposal: for a fee
Toner cartridges (with residual content)	Hazardous substances	Disposal: free of charge
Toxins	Hazardous substances	Disposal: free of charge
Transport pallet (wood)	Waste wood	Disposal: for a fee
Tree cuttings	Green waste	Disposal: for a fee
Tube monitor <50 cm edge length for disposal	Old electrical devices and batteries	Disposal: free of charge
Tube monitor >50 cm edge length for disposal	Old electrical devices and batteries	Disposal: free of charge
Tubes (made of plastic, emptied without any residue)	Lightweight packaging	Disposal: free of charge

Tubes (made of plastic, emptied without any residue)	Metal packaging	Disposal: free of charge
Umbrellas	Residual waste	Disposal: for a fee
Upholstery	Bulky waste	Disposal: for a fee
Upholstery undamaged	Re-Use items suitable for re-use	Disposal: free of charge
Vinegar and oil edible	Food	Disposal: free of charge
Wall and floor coverings	Bulky waste	Disposal: for a fee
Wallet for disposal	Residual waste	Disposal: for a fee
Wallet suitable for repair	"Graz repairs" - items suitable for repair	Disposal: for a fee
Wallet undamaged	Re-Use items suitable for re-use	Disposal: free of charge
Waste paper	Paper	Disposal: free of charge
White glass packaging	Glass packaging	Disposal: free of charge
Window components (made of metal) for disposal	Scrap metal	Disposal: for a fee
Window components (made of plastic) for disposal	Bulky waste	Disposal: for a fee
Window components (made of wood) for disposal	Waste wood	Disposal: for a fee
Window glass <50 cm	Flat glass	Disposal: for a fee
Window glass >50 cm	Flat glass	Disposal: for a fee
Wire	Scrap metal	Disposal: for a fee
Wood furniture suitable for repair	"Graz repairs" - items suitable for repair	Disposal: for a fee
Wood residues treated	Waste wood	Disposal: for a fee
Wood residues untreated	Waste wood	Disposal: for a fee
Wood waste in small quantities (contaminated)	Hazardous substances	Disposal: for a fee
Wood waste in small quantities (not contaminated)	Organic waste	Disposal: for a fee
Wooden windows suitable for repair	"Graz repairs" - items suitable for repair	Disposal: for a fee
X-rays	Residual waste	Disposal: for a fee
Zip suitable for repair	"Graz repairs" - items suitable for repair	Disposal: for a fee
